Zoning: **Low Density Residential**

Road Frontage: **280**

Description

Very rare opportunity to own nearly 2 acres of land near the water, public beach, grocery store, gas station, liquor store and restaurants! Growth in this area is HOT and the potential for development ranges from short term to long term or a huge estate property. There is a home on the property that could be rented out while your development plans go through. Don't miss out, they're just not making any more like this!
